

APC AISLESAVER MOBILE SHELVING

10
YEAR
WARRANTY

MECHANICALLY ASSISTED SYSTEM

FEATURES

- System is lockable with digital locking for added security
- Options for a manual, or mechanically assisted system available
- The low profile track minimises any potential trip hazard and ensures shelf weights are distributed evenly
- Fitted with a discreet anti-tilt system for operator safety
- This shelving system is not secured to the floor so it easily be moved to suit the changing office environment
- Units can be customised to suit individual needs and are available in single or tandem bay widths
- Shelves can be adjusted in 25mm increments
- 75kg shelf capacity (UDL)
- 10 year warranty

COMPLIANCE

To ensure that we are delivering a high quality product, APC Aislesavers comply to the relevant standards and practices for steel shelving.
